

# London Fashion Week - Burberry AW 2026.

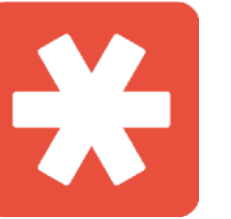

Client	Bureau Betak
Contract Value	Confidential
Date	2026
Scope	<p>Star Live delivered the scaffold Tower Bridge structure, runway and bleacher seating for Burberry's AW26 runway show at London Fashion Week, held at Old Billingsgate.</p> <p>Appointed by Bureau Betak, our team engineered, fabricated and installed the galvanised scaffold framework within the venue's 740 sqm Grand Hall. The stylised Tower Bridge installation formed the centrepiece of the show, with runway and bleacher seating arranged around it, finished in a black and white palette with reflective puddled flooring.</p> <p>The completed environment accommodated nearly 600 guests and was delivered to programme in line with venue loading, access and safety requirements.</p>
